

# 2021 Objectives for CSR

1

**Vision 25-25-25**  
to implement the  
chosen **10** cities by  
end of 2021

2

Deploy **500 all-  
electric 3.5t vehicles**  
and evaluate the  
market for new  
alternatives

3

**Electrification of the  
Network**  
Install 22kW  
chargers throughout  
our network of  
depots

4

**Expand our Solar  
energy network**  
Installing **14,000**  
solar panels across  
our Network

5

Launch our **ReLove**  
circular economy  
clothing initiative to  
avoid landfill

6

Launch our **Project  
Breathe Air Quality**  
monitoring in  
London  
Birmingham  
Manchester  
Leeds  
Glasgow  
Cardiff

7

To continue the  
supply of **Home  
Chargers** to our EV  
drivers

8

**Public charging  
partnership** utilising  
our depot car parks  
to increase the UK  
public EV charging  
Network

9

Develop **Circular Economy  
Partnerships** to reduce waste  
and give new life to metals and  
plastics in customers' products.

10

**Food Donation Scheme**  
Reducing food waste in partnership  
with our customers and Fareshare to  
benefit those in need of support
